RE: A Day for Superheroes

The children in school have been sharing with their teachers all of the exciting activities they take part in as school Extra-Curricular Activities (ECAs) and outside of school with the support of their families.

In launching our new Personal Development Record, and celebrating the hard work of the RBIS pupils we are making Friday 26th of October a Day of Superheroes.

We invite the children to come to school on the 26th dressed as their favourite character (e.g. Batman, Superman, Spiderman, Wonder Woman, Supergirl, Captain America, the Hulk etc.

You can wear full costume, masks, a t-shirt with your character.

We will take photographs of all of our children dressed up.

We have given 3 weeks notice to allow children (and their parents) to make suitable preparations.

We ask a modest charitable contribution of 50p which we will use to develop ecological projects around the school as part of our Round Square

We look forward to welcoming all of our RBIS Superheroes - look out for our own dressed up character.

Mr Timothy Cooper
Head of Primary
