RE: Message from the Headmaster

Dear Parents and Guardians,

We have reached the end of half term and I want to take this opportunity to thank members of the RBIS community for their support during the past few months. This year brought the arrival of new teachers and an entire new leadership team. It has been a very successful 8 weeks and our school has managed the transition very effectively due to the support of parents and the commitment from staff.

Our mid-term break commences on 15 October and school will resume on Wednesday 24 October. On Tuesday 23rd October our teachers and admin staff will be participating in professional development activities.

Mid-term break

15th October - 23rd October

Staff Development Day

Tuesday 23rd October (teachers and admin staff only)

School resumes: 24th October

If you are travelling during the break or spending the time here in Bangkok, I hope all our families enjoy a safe and rewarding time together.

Dr Bruce Robinson
Headmaster
